

SSFU Health and Safety Policy Overview

At Stepping Stones we aim to provide a secure and healthy environment where all children and adults can play and learn together safely. We aim to ensure that our premises both indoors and outdoors are fit for purpose and resources are safe for children to use. Full details of how we ensure the health and safety of children and adults using the setting are covered by the following policies and procedures.

- The King's School Health and Safety Policy
- SSFU Risk assessments for indoors and outdoors
- SSFU Daily Room Risk Assessments
- SSFU Fire safety procedures
- SSFU First Aid policy
- SSFU Food Hygiene and Food Handling Policy
- SSFU Safeguarding Code of Practice
- SSFU Forest School Risk Assessments and Policies

There is a no smoking policy for Stepping Stones and the whole school site both indoors and outdoors
